

I'd like to take this opportunity to thank all our parents and carers for their wonderful support over the last week. The summer fair was a resounding success and it was lovely to celebrate with our school community in the sunshine. We were less lucky with the Marathon Kids Festival, but the rain didn't dampen the children's spirits and they showed great resilience at what was a very well organised sporting event.

On Thursday, it was Move Up Day, a chance for the children to meet their new teachers. They all settled really well and Year 6 felt very grown up going to their secondary schools!

Next week, transition meetings for the current Reception and KS1 parents (YR to 1, Y1 to 2 and Y2 to 3) will give you more of an idea of what to expect from the next academic year. Please try and attend if you can.

Science Fair

We had a fantastic day at Warwick University on Monday at the Science Fair final.

The children enjoyed a lecture on space and participated in workshops e.g. magnet car racing and how many droplets can you fit on a penny.

Miss Braich was very impressed with how well the children explained their projects to the judges. Archie came 2nd in the EYFS category. Daniel Hall said, "The lecture was really interesting and I loved sharing my 'shrivelled head' project with the judges."

Marathon Kids

What fantastic sportsmanship and resilience the children showed in the challenging weather at Marathon Kids Festival. Well done!

Sports Shenanigans on Sports Day

Last Friday, years 2 to 6 went to Edmondscote for Sports Day to top off healthy lifestyles week. Check out all the photos on our Twitter feed at <https://twitter.com/ClaphamTerrace1/status/1142069677046358018>.

We did sprints, relay races and high jump! Years 3 and 4 did a 400m run, whilst year 5 and 6 did an 800m run (it was really 1200m because year 5 and 6 had already done the 400m as a warm up!) Goblin won the competition! Isaac said, "I felt it was a really great way to finish healthy lifestyles week and I really enjoyed helping to run the event in my Sports Leader role" By CTCN Reporter, Tom

Move Up Day

On Thursday, a weird occurrence took place in school. The current Year 6 mysteriously disappeared, all other classes went up a year and new children were seen in the EYFS classroom! At CTCN, we have found the answer to this unusual phenomenon: 'Move-up Day'. Children enjoyed the time with their new teachers and felt more familiar and comfortable with what will happen next year. Keerthi said, "I enjoyed going to my new school and learnt a lot about it!" By Harshvardhan, CTCN Reporter
