

Heads Up

As we bring this year to a close I wish to thank you all for your support this year. The Oscars have been a most enjoyable way for us to celebrate all the children have achieved this year, we wouldn't achieve all of this without the strong partnership we have. Our summer party last week was an example of this—another hugely enjoyable event celebrating the community aspect we are so proud of. Through your support we raised an incredible amount. This will be used to support our children's enrichment programme throughout the year. As a result of being able to offer the children so many enrichment opportunities we can continue to realise the very best outcomes, as our results and our KS2 performance demonstrate once again this year.

As the academic year comes to a close we say goodbye to Teacher Assistants Ragini Rathore and Judy Williams who have both been with us for a year. We wish them all the best.

We also say good bye to Mrs McArthur after 30 years working at the school. On Tuesday we celebrated Mrs McArthur with a sea of purple, a song and dance and a wonderful shared picnic. It was a fantastic day and a perfect tribute. Mrs McArthur will be greatly missed, but we wish her all the best in her retirement. Thank you for all your generosity, kind words and cards, which have all been passed on.

On Monday this week our art ambassadors visited the Art Box at the top of town to see the art work submitted by Clapham Terrace. A fantastic trip and the children loved seeing their art displayed. Look out for their photo in the Courier. On the same day our Eco Activists visited Action 21 to learn about reducing landfill through reusing or recycling.

On Wednesday all children enjoyed a trip to the park. The sun shone on us and we had a great time - it's finally starting to feel like summer. On which note, as we look forward to a summer break we wish everyone a restful and enjoyable time.

We're wishing all of our year children a fantastic summer and all the very best as they start secondary school in September—we know that with Clapham behind them they will all excel in everything they do.

Thank you once again a fantastic year and have a wonderful summer.

Michael Barker Piano Concert

📅 19 Jul 2024

📍 [Warwick Hall](#)

If you only go to one Classical concert this summer, make it this one! Leamington's own virtuoso pianist Michael Barker returns for an unmissable one night only at Warwick Hall.

A Classical concert with a cabaret style layout - the piano positioned off the stage and no need to climb over other audience members to get to your seat. Enjoy the pop-up gallery, then order a glass of wine and sit down at a candle-lit table. Tickets available individually or book a whole table for you and some guests. (Tables seat up to 8 - see bookings page.)

The programme includes the world première of Barker's latest composition. *The Gerstls* is a "semi-immersive" piece - ambient sound and video support the solo piano. More than 2 years in the making, this very visual composition was inspired by 10 original watercolours by the expressionist

Tips for helping your child to manage change

Change is a normal part of life that we all experience. For our young people changes may include moving house, experiencing loss, moving into a new school year, or transitioning to a new school. The experience of change can feel different for everyone, some changes may feel exciting while others may cause worry and anxious feelings to develop. This can be due to the feeling of uncertainty and elements of the change maybe being out of our control.

Our top tips:

1. Managing routines – This can be helpful to reduce some feelings of uncertainty and provide comfort/stability during these times.
2. Acknowledge your young persons' emotions and make space to talk these through. Focus on what can be controlled about the situation and what parts have gone well.
3. Set goals – Having something to focus on during a period of transition and focusing on achievements towards this, no matter how big or small, can be helpful in building confidence.
