## Phrase de la semaine

Our whole school French phrase of the week has been...

**Je ne comprends pas (I don't understand)**

Next week's phrase will be...

Qu'est-ce que c'est?  
(What is it?)

It's been another brilliant week, but before we talk about that we firstly need to celebrate our incredible year 5 netball team who competed last Friday morning at Kings High. The team won every single one of their games and took the final win with an incredible 3-0 score! They demonstrated excellent teamwork and commitment, and came away with a very well deserved win! A huge congratulations to them all.

Then on Tuesday our year 5 and 6 girls football team competed at the Leamington Brakes tournament. Despite an eventual loss the team played exceptionally well so a very well done to them as well.

This week the children have been working with artist and school governor Andy Brettell on pen and ink wash. Each year group spent time with Andy exploring new techniques and creating still-life paintings of a selection of fruit, or curating photos of architectural details of the school before painting their images. The children all really enjoyed their sessions and produced some fantastic pictures.

Also this week we've celebrated pancake day with a special pancake station on Tuesday lunchtime, and our EYFS not only made pancakes, but held a pancake race with parents during their Friday morning open session. Thank you so much to all our fabulous parent volunteers who helped with cooking, and to our parents who joined us for the open session.

Finally, this week we've celebrated World Book Day. All of the children and staff looked fantastic either dressed up as a character from a book or in their pyjamas. This is always one of the best days of the year. We celebrated the day with a visit from Stephanie Clarkson our reading patron. Stephanie spoke to the classes about how to be an author, the process of writing and where she gets her inspiration from - we definitely now have a few budding authors in our midst. Thank you to everyone who brought in a book for the book swap. This was very well received by the children.

Next week we look forward to science week and the annual Science Fayre. We look forward to welcoming parents to join us from 2.30pm next Friday. We also look forward to welcoming parent volunteers throughout the week to talk about science.

Just a reminder that home learning projects are due in on the 13th March in time for the Science Fayre.

Next week's cake sale is Early Years - please bring any cakes to the office on Friday morning. A reminder that all cakes and treats must be nut and sesame free which includes any 'may contain' warnings.

Have a lovely weekend and we look forward to sharing British Science week with you all.
